Wedding Ceremony

Quivey's Grove wedding ceremonies take place in the front yard of the Stone House under a canopy of black walnut trees. The Nursery Room in the Stone House serves as a final dressing area. In case of inclement weather, our large 30' x 75' white tent can be set up to accommodate the ceremony quite successfully. Either way, the setting is picture perfect. During the colder months of the year, ceremonies are held in one of the dining rooms of the Stone House. The guests are limited to about thirty people. There is a fee of \$200 to have your ceremony on the grounds. Ceremonies must be accompanied by reception afterwards.

Wedding Receptions

Quivey's Grove offers a unique and memorable setting for wedding receptions of up to 250 people using the Paddock area with its 30x75 foot tent. It is available from late May through early October. Outdoor meal service is provided from the wedding menu and includes a choice of one entrée or combo plate, plus a vegetarian/vegan and kids option (meals must be served by 5 PM). For multi-entrée service please contact our wedding coordinator for available options. Additional charges may apply. All meals are prepared day of outside on our giant smoke roaster, because of this we do not offer tasting beforehand. Included in all of our menus are appetizers to be passed amongst your guests prior to the meal. They consist of hot stuffed mushrooms, smoked trout salad puffs, sausage in puff pastry, onion tarts, and fruit and cheese skewers. Music and dancing under the tent can finish your celebration, music must be turned off by 11pm and guests off property by midnight.

Reservations

To make a reservation, check the date, or ask for more information, please call us at (608) 273-4900, Tuesday through Friday 10:00 AM to 4:00 PM. Wedding Planners

We are happy to work with your wedding planner, but please remember we have a wedding planner on our staff with years of experience doing weddings at Quivey's Grove. Our wedding planner cost includes up to a reasonable number of hours. If you choose to have an additional wedding planner, it is imperative that a meeting is set up with our planner at the outset, as many wedding planners have no knowledge of the wedding policies at Quivey's Grove. This will avoid misunderstandings and disappointments from the outset.
